

STREET SUPER TEAMS - ORGANISE NOW!

As part of this year's Summer and Féile programme we're calling on every street to organise their own teams to participate in a range of activities and compete in inter-street competitions and Creggan-wide showcase events.

Volunteers, residents and parents will help to organise children and young people in your street to engage in football, basketball, indoor sports, raft building, trolley/Go-Kart building, fishing, carnival float building, craft making and many more activities.

The Super Teams idea can only happen if you, as residents, organise your particular street. The Summer Programme and Féile staff and volunteers guarantee their full assistance and free use of whatever resources are available. We appeal to everyone, young and old, to register and become involved.

Organise now! Contact the Corn Beef Tin at T: 7128 1900
